#### DIVYAA NEW DELHI, OCTOBER 16

AS PART of India's G20 Presidency between December 2022 and November 2023, the Government is planning to host five key meetings focusing on the "culture track" at Khajuraho, Bhubaneswar, Hampi and Agra, The Indian Express has learnt.

These cities have been chosen mainly for well-known monuments and UNESCO World Heritage Sites such as Taj Mahal and Agra Fort (UP), the Hindu

and Jain temples of Khajuraho (Madhya Pradesh), the Konark Sun Temple around 65 km from Bhubaneswar (Odisha), and the sites at Hampi (Karnataka). Agra will host two of the five meetings, it is learnt.

The Government had announced last month that there will be 215 meetings in all. spread across 55 sites, covering most states during India's G20 presidency. The main summit will be held in September at Delhi's International Exhibition Cum Convention Centre at Pragati Maidan, which is

presently under construction and will be ready by mid-2023.

For the culture track, a G20 Secretariat has been set up in the Ministry of Culture, which will hire a professional agency "for research, documentation and coordination work for the G20 workstream of culture", according to records reviewed by The Indian Express. Besides the five meetings, around 250 cultural events will be held on the sidelines for delegates for the duration of the G20 presidency, officials said.

Setting the cultural agenda for the meetings, the records state: "This presidency also provides a fantastic opportunity for India to used as an opportunity to push shape the global agenda on culture across multiple work streams and engagement areas. These include: a) protection and restitution of cul-During the G20 Presidency

lakh has been recovered from him. Further investigation is under progress, the VB chief added.

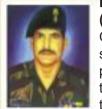

AIG Manmohan Kumar (complainant) said that he knew Arora and the former minister had approached him to clear his name in a vigilance inquiry against him.

Arora has been under vigilance scanner for the alleged irregularities in the allotment of industrial plots of the Punjab Small Industries and Export Corporation and the sale of a 32-acre of the commercial plot of JCT Electronics Limited in Mohali to a realty firm when he was the industries minister in the previous government.

The AIG said the VB had called the former minister twice to question him in connection with the scam in the industries department."The former minister was uncomfortable when he was questioned. He approached me as he had known me for quite some time. He visited my residence in Zirakpur on October 14 and asked me to help him settle the case. He offered me Rs 1 crore. But when I refused, he told me he is a businessman and knows how to approach a police officer," the AIG alleged. He said he informed about it to his senior officers, including VB's chief director and Punjab DGP Gaurav Yadav. The VB chief director ordered to register a bribery case against the accused.

Later a trap was laid and the former minister was arrested.
